PROFILE

Hello there! My name is Souvik Mendal, and I'm a web developer who specializes in JavaScript. I've got some serious skills when it comes to HTML and CSS too. I've been building websites that are not only responsive but also super user-friendly. You know what? I'm really passionate about coding, and I'm always on the lookout for the latest technologies in the industry to keep my skills sharp. I've got a keen eye for detail, and I work like a champ with my team to make sure we deliver top-notch projects.

WORK EXPERIENCE

June 2024 -July2024
Codsoft-Internship

Frontend developer

- During my internship at Code Soft, I created a professional portfolio to showcase my work and skills to potential employers.
- I created calculations using HTML, CSS, and JavaScript to create different user-input calculations.
- Designed and designed a landing page for a novel product, ensuring it was visually appealing and interactive for users.
- Through these projects I gained valuable hands-on experience in front-end development and improved my coding abilities.
- I received feedback and guidance from experienced developers at Code Soft, helping me to enhance my technical skills and problem solving abilities.

July2024- PRESENT
Cognifyz technologies

Frontend developer

- Developed and maintained web applications using HTML, CSS, and JavaScript.
- Collaborated with designers to translate wireframes and mockups into responsive, high-performance web pages.
